## DOLMEN COLLECTION | DB1 Coffee Table

The DB1 coffee table of our Dolmen collection is composed of a 115X60 cm marble plate, resting on three feet: two feet in brushed stainless steel and one foot in solid ebony. Everything was done in collaboration with a carpenter, a marble mason and a metalworker.

Nero Marquina polished marble comes from Spain. We take care of selecting the slice and tracing the template with the marble mason, before cutting. This stone is based on another plate.

It is made of MDF, covered with natural and stained wood veneer. Between these two plates, a steel plate was built to ensure its stability.

Materials :

Marble : Nero Marquina from Spain, thickness : 20 mm

Wood : Solid ebony from Mozambique

Metal : Brushed stainless steel

Planner support : MDF + natural ebony wood veneer

Dimensions : W 115 x D 60 x H 43 cm

Price on request
